## Learn and Earn with Zogo!

Have you tried out Zogo yet? Zogo is a gamified financial literacy app that rewards participants for completing bite-sized lessons on saving, spending and managing money.

The app includes over 300 modules spanning 20 different topics, from opening an account to saving for retirement. By completing the modules, taking interactive five-question quizzes and participating in daily trivia games, users earn virtual "pineapples" or points. The pineapples add up quickly and you can redeem them for gift cards at your favorite stores—like Amazon, Target and Starbucks.

To get started, visit your app store through either Apple or Google Play. Search and download Zogo. Once installed, enter the access code GECU.
