Applications are available at the Credit Union or online at gaselectriccu.com and **eric clark** are due in by April 1st. Good luck to all!

Enjoy the Benefits of Shared Branching

What happens when you're out of town and need to access your account? Or maybe you live on the Iowa side of the Quad Cities and don't want to travel across the bridge? There's always Online and Mobile Banking, but if it is something that requires a visit to the office, we have the solution! Did you know that we are a part of the Shared Branching Network? This rich bivens network allows you to go to any of over 5,000 participating Credit Union branches nationwide and access your account!

You can withdraw money, make payments, deposit checks and more– easily and quickly. To find a location– you can use our GECU mobile app and click on the Shared Branching link, go to co-opsharedbranch.org or call 1-888-748-3266. To access your account, you will need to give the participating branch our Credit Union name, your account number, a valid government issued ID and the last four digits of your social security number.

Locally, if you can't make it over to either office, most Ascentra Credit Union branches are participating. It's just one more way we are working to make sure our members have easy and convenient access to their accounts. You can learn more about shared branching on our website at gaselectriccu.com.
