Change Cup Savings Program

Saving money is easy with our NEW Change Cup Savings Program! With Change Cup, all purchases made with your debit card will be rounded up, with the difference being deposited in the savings account of your choice. For instance, if you make a purchase for \$2.50, Change Cup will round up the total and 50¢ will be transferred into savings.

Change Cup is an easy way to effortlessly build your savings, whether it be for an emergency savings account, a vacation fund or Christmas Club. If you are interested in enrolling in this program or would like more details on how it works, stop by or give us a call.

Access Over 5,000 Branches Nationwide

What happens when you're out of town and need to access your account? Or maybe you live on the Iowa side of the Quad Cities and don't want to travel across the bridge? There's always Online and Mobile Banking, but if it is something that requires a visit to the office, we have the solution! Did you know that we are a part of the Shared Branching Network? This network allows you to go to any of over 5,000 participating Credit Union branches nationwide and access your account!

You can withdraw money, make payments, deposit checks and more— easily and quickly. To find a location— you can use our GECU mobile app and click on the Shared Branching link, go to co-opsharedbranch.org or call 1-888-748-3266. To access your account, you will need to give the participating branch our Credit Union name, your account number, a valid government issued ID and the last four digits of your social security number.

Locally, if you can't make it over to either office, most Ascentra Credit Union branches are participating. It's just one more way we are working to make sure our members have easy and convenient access to their accounts. You can learn more about shared branching on our website at gaselectriccu.com.

REFERRAL Rewards!

Refer and be Rewarded

Love us? Why not share us with your family and co-workers? Plus, when you refer a member to GECU, you BOTH win! We are offering a \$50 bonus to new members AND the members who refer them!

Here's how it works: Use the Referral Rewards card (you can pick some up at the Credit Union), or simply have the new member tell us you referred them when they join. When they join and open a checking account with direct deposit, you'll both be rewarded with \$50 cash into your accounts! See Credit Union for complete details.
