There's one month left for kids to take part in the Summer Savings Program at the Credit Union. Don't let the sweet rewards slip by!

Here's how it works: The goal is to encourage kids to save at least 3 times during the summer (until August 31st). The first and second time they save, they will receive a fun summer-themed surprise. The third time, they will earn a \$5 gift card to Whitey's Ice Cream!

Teenagers can join in the fun too, but instead of receiving a prize, they will be entered into a drawing for a \$100 Visa gift card each time they save! Hurry, the program ends 8/31/25.

Get Pre-Approved for Your Next Auto Loan!

In the market for a new car? Be sure to see your Credit Union before you start, so you can get pre-approved and make the car buying process a breeze! We can work with you to find out what loan term and payment options fit best into your budget. Armed with a pre-approval in hand, it's much easier to make the purchase of a car so much easier!

Don't forget the Credit Union has all of the extras at a much lower cost as well— including GAP, Extended Warranty and Debt Protection coverage. You may apply online, over the phone or in person. You may also text any of our loan officers at their direct office lines for added convenience!
